DIRECTORS REPORT

Hello to all HOG members,

Every thing is going along nicely for our 2006 rally at Tullah on the West Coast. Get in early as we have had a few early birds paid up already and beds are going fast. All accommodation will be on site with limited camping available.

As you may already know the Toy Run date has been changed from December 10 to December 17 because of entertainment being booked at the Derwent Entertainment Centre.

We have had a bit of a problem with our web-site. Thanks to webmaster Tony's quick action this has been fixed. Well done Tony.

For all those going to the national rally in the Northern Territory I hope you have a safe trip and enjoy yourselves while the rest of us stay in Tassie and go to work as usual.

Ride safely and I hope to see you all soon.

Director's Quote: Love is blind, but marriage is a real eye-opener.

Mr & Mrs Claus

PS: please read note regarding newsletter distribution.

JOKE AND STORY CORNER

Dave works hard at the plant and spends two nights each week bowling and plays golf every Saturday.

His wife thinks he's pushing himself too hard, so for his birthday she takes him to a local strip club.

The doorman at the club greets them and says, "Hey, Dave! How ya doin'?"

His wife is puzzled and asks if he's been to this club before.

"Oh no," says Dave. "He's on my bowling team."

When they are seated, a waitress asks Dave if he'd like his usual and brings over a Budweiser.

His wife is becoming increasingly uncomfortable and says, "How did she know that you drink Budweiser?"

"I recognize her, she's the waitress from the golf club. I always have a Bud at the end of the 1st nine, honey."

A stripper then comes over to their table, throws her arms around Dave, starts to rub herself all over him and says, "Hi Davey. Want your usual table dance, big boy?"

Dave's wife, now furious, grabs her purse and storms out of the club. Dave follows and spots her getting into a cab.

Before she can slam the door, he jumps in beside her. Dave tries desperately to explain how the stripper must have mistaken him for someone else, but his wife is having none of it. She is screaming at him at the top of her lungs, calling him every 4 letter word in the book.

The cabby turns around and says, "Geez Dave, you picked up a real bitch this time."

Christmas in Winter

You sure missed out not coming to our fancy dress night for Christmas in Winter – everyone else was there – even Mr & Mrs Claus. There were a couple of red Indians, a couple from the 50's, a guy reminiscing about his time in the 60's AND his angel (to clear his conscience), Betty Boop, a painter, grazier, Al Capone, naughty school boy and the list goes on. The winning couple were Keri and John, Val scooped a prize by out performing Murray as the best individual. The band was great and we danced the night away.

WHERE ARE YOU ????

At our last meeting there was discussion on who to involve new members and make them feel welcome. If you have never participated in a club event how about giving us a go. Yes we are all busy and yes some of us can get carried away a bit that might have others wondering but we aren't a bad bunch. We just love being on our bikes and having a few laughs. It would be great to see a few different faces.

Boat Harbour Ride

What a start to the day, “Rain.” But being adventurous souls, those wonderful men and women on their HD flying machines left them locked in the garage and climbed within their Harley Falcoons. Except for the new North West Road Captain (whom it never rained upon) but whose broad shoulders took all the light-hearted jest thrown at him for thinking that a bike ride meant taking a bike!

But being the good souls that they are upon arrival at Boat Harbour all thoroughly enjoyed themselves with good nosh and liquid refreshments. Even though whilst inside dining it did rain again, but only long enough for lunch to finish and allow a dry ride home within those dastardly Harley Falcoons.

Question?

Who is the farmer on the North West who rides a HD, with a reputation for stopping often of its own free will, who lost his virginity in the back of a Mini with two wenches???????????
