DIRECTORS REPORT

Hello to all,

Paper work will be out soon for our next State Rally. It is to be held the first weekend in February in 2007 at Bicheno. All bookings will need to be done through the Rally Committee as per the registration form. Yes there will be bike events as we have an oval next door to be the Rally Site.

Our AGM will be August 6 at Richardson's and all positions except for Director (as this position is allocated by our Dealer) will be up for nomination. If you would like to be on the Committee fill out the form, attached to this edition of the newsletter, and pass onto the Secretary before the AGM.

The weather hasn't been nice to us all of late but you can always drive you car to any of the events listed on our ride calendars (even if its not raining, eh Wayne, Lawrence and Pieter).

For those interested in the latest Heavy Duty magazine has an article on our State Rally at Tullah (issue 86 volume 16 number 3)

Thanks to Ross Smedley for organizing our ride to Mount Morris to have a look at all the old bikes and tractors. This was well worth the visit, with more bikes coming in the future we may be able to organize another visit.

Ride safely and I hope to see you all soon.

Directors quote: Life is unfair but remember sometimes it is unfair in your favour.

PS: I hope all mothers had a great day.

HOG PARK DEVELOPMENT STAGE ONE COMPLETED

On Sunday 26th March 2006, we met at HOG Park at 9.45a.m. and commenced our planned working bee.

The date was set by Tim Bowden – and you guessed it – he had to work that morning and therefore tended his apology!

Regardless, we had a great roll up, blessed with superb weather and we were just planning our teams and their respective work areas when at 10.00a.m. along came a “storm” and a “spit”.

A few moments later, the “dust” settled and we knuckled down to complete the shelving in the container, the painting of the container (externally) and the repairs to our “canteen” roof.

We were all but done by 1p.m. and we settled for a BBQ without beer, but we drank plenty of water. Whilst finishing our BBQ, we rang Tim and filled him in on the events of the morning. He will probably tell you a different story!

One big personal thanks to all involved and thanks to Gunns Timber for the shelving. (over 100 feet of useable orderly space) Thanks also to my son Stuart for lending us his compressor and nail gun and to all our own members who provided their own tools.

The next working bee is on **July 23** – we have some great plans and some great work to be done.

**10.00a.m. until 3.00p.m. +-
(bbq lunch supplied)**

You will note from the report above that we have already had one successful working bee on our "HOG Park" Development project.

Since that working bee, we have had a General Meeting at Melton Mowbray and agreed to take developments further, with a maximum spend imposed!

Simon has agreed to our proposal, so now it is time for another exciting working bee and this one needs to be bigger than the last!

We need your help to –

- **Fix the shed ceiling**
- **Instal Treated Pine deck**
- **Instal Treated Pine pergola**
- **Instal some extra plants**

If you have access to any materials (like hole diggers/drillers, galvanised wood screws and bugle screws, rapid set cement, shade cloth etc.etc.) then give me a call prior.

Please phone me on 6334 3929 (A.H.) if you can assist with materials or labour!

Thanks,

Henk van Zetten

Northern Ride Reports

Easter Ride

It had everything a HOGGIE could ask for on one day – sunshine, rain, a sense of the unknown, great food, plenty of laughs plus a mysterious midnight ride (no Simon wasn't there). 12 HOGs left HOG Park on Good Friday and for the first time arrived at our final destination by lunch time - to miss the rain.

Saturday was spent riding and exploring the East Coast between Orford in the morning and Coles Bay the afternoon – this between showers and nearly losing Prue – in the metropolis of Triabunna. How many entrances can you have to such small place!!!. The visit to Kates' Berry Farm for lunch broke up the ride.

Sunday, eventhough it was a bit cooler, our ride home through St Helens. Weldborough Pass and Scottsdale was magic. There was a clear blue, cloudless sky – a fitting end to an enjoyable ride.

Bicheno Show and Shine Ride

On a very cold April morning, the Road Captain Peter and Tail End Charlie (Henk and Marlene) – with no-one in between (!!!) left Richardson's bound for Bicheno.

With many other bikes headed in the same direction, we rode with others along the way and of course were often overtaken by those very fast (and sometimes very dangerous) Jap bikes.

We were greeted on the entry gate by HOG new members Sharon and Gary who were involved in Show and Shine, on a local level. We also caught up with Samantha, Gary and the girls from Railton who had ridden there with Samantha's parents.

After calling in to have a cuppa with my sister in Scamander, the group of two bikes headed back home. An enjoyable day.

JOKE AND STORY CORNER

WIFE VS. HUSBAND

a couple drove down a country road for several miles, not saying a word.

An earlier discussion had led to an argument and neither of them wanted to concede their position. As they passed a barnyard of mules, goats, and pigs, the husband asked sarcastically, "Relatives of yours?"

"Yep," the wife replied, "in-laws."
