Directors blurb

Hello all,

With the warmer weather coming and a quick glance at the ride calendar it’s looking good for next year’s rides. Keep an eye on the newsletter for more information on our overnight ride, Gary has got us a great deal at Tidal Waters St. Helens so book early so you don’t miss out.

Our Christmas day BBQ’s this year will be South 15th December at HOG Hill and North 16th December at HOG Park, so come along and enjoy the day.

With the decision made to have a second Assistant Director in the club I would like to welcome Barney Philips to the committee, I’m looking forward to working with Ken and Barney over the next 12 months.

Don’t forget to register for the 2013 State Rally, early bird registration will now be finished but it’s still not too late. All the info is on the web page http://www.hogtasmania.org.au/ so go and check it out.

If you are new to the club don’t be shy, check out our ride calendar, come along and enjoy a good day.

Hope to see you on the next ride.

Paul

Treasurers Scribble,
Hi All,
Firstly I would like to thank Kerry Ollington for the fine work that he has done as the club treasure over the years that he has held office. I look forward to the challenge of the roll over the coming year.

Personally I am only relatively new to road riding about 4 years, but I did spend most of my youth on dirt bikes on my uncle’s farm. Owning and riding a Harley was something that I had always wanted to do but other life commitments continued to get in the way of that dream. After a forced revaluation of my life style I let go of my other great passion tournament angling, I sold my boat and bought my 06 Super Glide, which I had to modify so I could get my long legs around it (thank god for forward controls).

I look forward to a ride to an interstate rally in the future, but happy to be on the bike going anywhere (a great stress reliever).

Please don’t forget to register for the 2013 State Rally.

I look forward to meeting new friends and also catching up with old ones. Please feel free to contact me if I can assist with any enquiries at treasurer@hogtasmania.org.au

Is it time for a beer yet? Cheers, Paul
One of our interstate residing members, Henk van Zetten, has recently been appointed Assistant Director of Australia’s newest Harley Owners Group, called Gasoline Alley Chapter, Australia HOG and that will be officially launched with an Open Day (and Membership joining day) on the 27th of October 2012. Congratulations Henk and thank you Marlene for your info. Henk’s phone number is 0404 918 999, so if you are ever in Queensland, give him a call and he will be more than happy to go riding with you.

Henk and Marlene are members of Members of Tasmania, Brisbane and Gasoline Alley HOG Chapters.

FRIDAY NIGHT AT HOGGIES (HOG HILL)

It’s Friday night at Hoggies Hill
Let’s celebrate week’s end.
And so to promulgate the cheer,
A poem I have penned.
The Hoggies Friday barbeque
Has bangers, bread and sauce;
And sometimes even lettuce leaves -
We must eat greens, of course!
The HOGs we are a happy lot,
With banter and much parley.
There’s only one prerequisite -
You have to own a Harley.
I’ll try to read out all your names,
Too many though to mention,
I know you’re listening out for yours,
So I have your rapt attention.
There’s Yogi’s bike of many skulls,
There’s fifty there at least!
One of them has eyes which glow
This beast must be policed!
We know Rinus’s is orange? Red?
And Marty’s - painted green.
But others who turn up for drinks
Have bikes we’ve never seen!
Barney’s bike is noisy
With its speakers quadruphonic
He plays it seriously loud
This sardonic philharmonic!
There’s Jen and Jude and Julie
And Graeme, Greg and Pete
And Linda, Adam, Brendan, Rob
And Garry at our meet.
There’s Ian and Sue and Nick and Stew
And sometimes Ricki-Lee.
And then there’s Frank. Or was that Chris?
They look the same to me!
Some of us don’t ride per se,
We’re happy as the pillions
As we go we give a regal wave
To the watching little minions.
It’s Sundays when we congregate,
Bikes ten, or twelve or more.
We fire them up and on we hop
The Southern Hoggies corps.
With a mighty throaty roar - we’re off!
Rinus - leader of the pack.

The bikes are multicoloured,
But the helmets? Always black.
Old men stop on their way to church,
Gaze long and lovingly.
They wish that they were young again
With our camaraderie.
Their looks are one of envy
At our mateship and our bikes
If they could read our facebook page
They’d tag it full of “likes”.
On rides we always pause awhile,
The caffeine hit’s a must.
A good barista, a real machine,
Not instant “bogan dust”.
Some of us are merely wimps
Who don’t venture out at all
When the icy winds off mountain blasts
Or it rains a windy squall.
We look outside and test the air
“No, not us, no way!”
“You go and ride, get cold and wet,
We’re staying home today.”
It’s best to check the forecast
Before you hit the road
So report of latest ride will be
“Twas sunny”, not “it snowed”,
One day we didn’t check with “BOM”
A monumental blunder...
We stopped a moment, listening hard...
Shit! What’s that? It’s thunder!
The latest ride, Dunalley bound
Despite the crappy weather
With it turning cold and grey and wet -
“Thank God for Country Leather!”
Cried Yogi in his newest jeans,
Waterproof and warmed
Which were well and truly tested
And which pleasingly performed.
But what is it with the Harley bikes?
What’s our predilection?
Ride long, ride oft and always safe,
Maintain the HOG addiction.

HOW ABOUT SOME RIDE REPORTS:
If you would like to send in a few lines (not pages) about a great ride you have done please do.

TO START:
On Saturday 13 October we headed off from H.O.G. Park at 7.30am for Breakfast at Richmond. Lovely idea, with great scenery down the Midlands especially as the paddocks were nice and green, but it was a very cool morning. I don’t think I have ever been as cold, a road Captain Gary even took some of us an extra couple of km’s to get there!!!

At Richmond we northerners were met by some southerners for warm drinks and food all round.

We then set off for RHD Hobart for our Chapter meeting via Risdon Vale, over the Bowen Bridge and through the back of Glenorchy. I’m sure most of us have headed into the city that way.

We had our meeting, and a BBQ lunch to warm us up some more, before heading for home.

Being close enough we thought we would check out the State Rally location at New Norfolk. Nice location verified by a cold drink. Then which way? It wasn’t worth going back to Bridgewater so Bothwell became our next location. Then to finish the day why not head over the mountain to see some more of our lovely state. And wow yes cool back down. A cold drink for some at Cressy Pub saw us finish our day.

A great day.
