Tasmania Chapter – Harley Owners Group

I wish to advise all Members of the Tasmania Chapter – Harley Owners Group that I have received and accepted the resignation of Henk Van Zetten as Director of the Chapter.

I take this opportunity to thank Henk for his efforts and dedication to the Chapter over the last years which have always been in the best interests of the Chapter - Thanks Henk.

I also wish to advise that I have dissolved the Chapter Committee and all positions are now vacant. I will be the Chapter Director until further notice and all Chapter matters should be referred through me direct.

I have taken this action as I have become very disappointed and frustrated with the unacceptable level of communication within the Chapter.

For some time now these communications have not been in the best interests of the Chapter or in the spirit, vision or standards of a successful HOG Chapter.

Moving forward, I wish to advise that nominations are now open for all Chapter Committee positions (See Nomination form) – and must be received on or before 13th February 2021.

Previously I have appointed the Chapter Director – whereas this time I am seeking expressions of interest from any Member who can show me they have the skills to take on the pivotal role as Chapter Director. Contact me direct if you are interested and wish to discuss this role.

All planned current Chapter events are still progressing - like the No Rally Rally, which is still being coordinated by Henk – with calendared rides still taking place as social rides until new Committee formed.

I look forward to a united Tasmania Chapter where all Members from any part of the State work together, ride together and have fun together. As all Members are aware, there is only one Tasmania Chapter.

I hereby give notice that a Special General Meeting of the Tasmania Chapter – Harley Owners Group will be held on 20th February 2021 at 1.00pm in the Iron Horse Bar & Grill, 468 Westbury Road, Prospect.

Regards

Simon Hrycyszyn
